

KE DURASOL DURASHADE R8500

The DuraShade R8500 is an attractive, custom-made shading system that combines pleasing aesthetics with advanced technology to increase the privacy of your home and create a comfortable, beautiful living environment. This unit can also help decrease interior fading from damaging UV rays, reduce energy bills, and give you complete control over your home's lighting and privacy.

SPECIAL FEATURES AND BENEFITS INCLUDE:

- Keep the view and add privacy to your home
- Blends easily with contemporary or traditional décor
- Protects interior furnishing fading caused by damaging UV rays
- Cool your space and reduce your heating bill and create energy efficiency
- Offers an array of unique textured fabric with many opacity options
