

# KE DURASOL SUNCASSETTE BELLA

Roof Mount

The SunCassette family of awnings provides a sleek and stylish look that encapsulates the entire awning, protecting the fabric from the elements while retracted.

The **Bella** is Durasol's flagship retractable cassette awning. This extraordinary awning incorporates a patented tipping system, allowing the awning to extend straight out, then tip down to attain up to a 55° pitch. The **Bella** is a practical, yet elegant addition that will last for years.

## SPECIAL FEATURES AND BENEFITS INCLUDE:

- Patented tipping system shoulder maintains a tight seal
- Bottom cassette tray eliminates the need for a center support
- Large chamber front bar with a built-in rain channel
- The high grade stainless steel fastener hardware provides better overall strength and corrosion resistance than other awnings on the market
- Strong, nylon coated galvanized steel cable and high-tension arm springs keep your fabric taut
- Patented roller tube made of galvanized cold rolled steel adds strength and stability to the fabric
- Teflon® coated bushings with stainless steel pins keep unit quiet and maintenance free
- Assembled with TÜV registered components
