

# KE DURASOL SUNSHELTER ELITE PLUS

Drop Shade

Adjustable R-Pitch  
Shoulder

Front Bar Level

Cross Arm

The SunShelter® family of awnings has what you're looking for. From full-featured awnings to affordable entry-level models. Designed for durability and maintenance-free operation, SunShelter® Awnings offer the finest component features available in the industry.

The **Elite Plus** is an adjustable retractable awning system with the optional "R-Pitch" adjustable shoulder. With its patented swivel wrist allows you to drop each corner independently with a simple eyelet and manual hand crank system.

## SPECIAL FEATURES AND BENEFITS INCLUDE:

- Manufactured with longer widths and greater projections
- Adjustable pitch available with all projections for maximum sun protection
- Overall pitch adjustment up to 50° for complete coverage
- Built in level on front bar
- Unique cross-arm functionality available (min. 4')
- Up to 24' wide drop valances available on projections up to 11'9"
- Assembled with TÜV registered components
